INSTITUTION AT A GLANCE

Rayat Shikshan Sanstha, Satara (MS) was founded by the great visionary educationalist Late Padmabhushan Dr.Karmaveer Bhaurao Patil in 1919. Education to all is the goal and social justice, humanity, equality are the ideologies on which Rayat Sikshan Sanstha works. **"Education through self-help is our motto"**. Rayat Shikshan Sanstha is the largest educational institution in Asia with more than 4.5 lakh students taking education in various schools and colleges. The spread of the institute is across 14 districts of Maharashtra and 1 district of Karnataka State. We are proud to say that most of the colleges run by the Sanstha have been accredited with 'A' and 'A'' grades by the NAAC.

COLLEGE AT A GLANCE

Dada Patil Mahavidyalaya, Karjat, Dist- Ahmednagar is one of the flourishing branches of Rayat Shikshan Sanstha and a renowned college in the Savitribai Phule Pune University, Pune. Recognizing the excellent educational facility provided and services rendered to the rural masses, our college has received the 'Best Rural College Award' from the Savitribai Phule Pune, University Pune in 2004. It is multi-faculty premier institute of higher education. Today college runs various courses viz. Arts, Commerce, Science, B.C.A. and B.Sc. Computer Science at UG level and M.Sc. in Chemistry, Physics and Botany, M.Com, M.A. in Marathi, English, Hindi, History, Economics and Geography at PG Level. The college has renowned Competitive Examination Guidance Centre. Recognizing our potential, the NAAC has accredited our college with 'A' grade.

INVITATION

It gives me immense pleasure in inviting you to participate in the Two Days' National Level Seminar on **"Recent Trends in Synthesis and Applications of Nanomaterials"** to be held on 8th & 9th December 2017 by the Department of Physics of our college.

Dr. Bal Kamble,
Principal and Chief Organizer

ABOUT THE DEPARTMENT

The Department of Physics is established in 1990. We offer UG and PG course in Physics, which are industry oriented. Our mission is to train our students to become professionals which will create career opportunities and excel in education. We strive to create and maintain an atmosphere which looks beyond the confinements of established fields, find problems and their solutions. Though our college is established in remote and rural area, we have well equipped laboratories and research facilities.

AIMS AND OBJECTIVES OF THE SEMINAR

The aim of the seminar is to provide platform to students, academicians, researchers, scientists and industry personnel to share their knowledge, ideas and innovations in the field of Nanomaterials and their interdisciplinary applications.

SUB - THEMES

- ◆ Synthesis of Nanomaterials
- ◆ Bionanosynthesis
- ◆ Energy Storage Devices
- ◆ Applications of Nanomaterials
- ◆ Computation and Simulation
