Clarification for 2.6.2

2.6.2.1. Number of final year students who passed the university examination year wise during the last five years

This is to declare that HEI hereby updates the input as suggested by DVV.

Academic Year	2021-22	2020-21	2019-20	2018-19	2017-18
Number of Students	691	707	507	468	412

2.6.2.2. Number of final year students who appeared for the university examination year-wise during the last five years

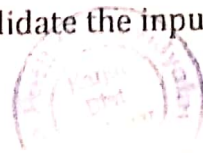

Academic Year	2021-22	2020-21	2019-20	2018-19	2017-18
Number of Students	732	758	544	545	477

DVV has asked for the certified report from the Controller of Examinations of the affiliating university. HEI hereby informs that Controller of Examinations declares programme wise online result through pass list followed by result ledger indicating the college code separately. The authorities declare the statistics of the result of the pass percentage considering the university as a whole not HEI. Therefore, every HEI has to analyse the result separately through the ledger provided. The College Examinations Officer avails those ledgers to all departments for the analysis of result. Every department prepares the report of the result and submits it to the College Examinations Officer who finalizes the cumulative report for the authentication of Principal.

Kindly accept the following documents in support of our justification and inputs-

1. Cumulative report certified by Principal and College Examinations Officer for 2017-18 to 2021-22
2. Year wise summary (Pass List) of the examinations
3. Year wise ledgers of result of the examinations
4. Circular of Examination Procedure and Powers and Duties of College Examinations Officer.

We humbly request you to consider and validate the inputs.
