Clarification for Metric No. 6.5.2

Quality assurance initiatives of the institution include:

1. Regular meeting of Internal Quality Assurance Cell (IQAC); Feedback collected, analysed and used for improvements
2. Collaborative quality initiatives with other institution(s)/ membership of international networks
3. Participation in NIRF
4. any other quality audit/accreditation recognized by state, national or international agencies such as NAAC, NBA, ISO Certification etc

This is to declare that the HEI has initiated various activities by IQAC. Therefore, we confirm the option-

A. All of the above

The pdf is in big size therefore, it may take longer than expected to open. HEI humbly requests to bear with it. Inconvenience regretted.

For the confirmation the necessary documents and weblinks are attached herewith.
