To,

The Principal/Director,
Rayat Shikshan Sanstha
Respected Sir/Madam,

Invited project proposals by RIRD, Satara

Rayat Institute of Research and Development plans to initiate a collaborative research programme from Academic year 2019-2020. Currently, a lot of research is being conducted through different branches of our Sanstha. In this programme, we invite applications from different researchers from all branches under diverse subjects. The applications will be screened and shortlisted. Financial assistance will be provided to selected topics with high social and scientific relevance and which have potential for development of deliverables and patent outputs. The preference will be given to a multidisciplinary approach utilizing locally available resources.

This will bring together researchers from different areas working on same topics together. This will also ensure minimization of repetitions and build a good rapport among researchers of our Sanstha. The programme will also be instrumental in bringing about exchange of ideas and working of many researchers of different subjects on a broad spectrum of important societal need based topics.

The applications completed in all respects must be sent to Director, RIRD, Satara on or before 28th February 2019. Late, incorrect and incomplete applications will not be considered.

Considering the need of the hour and positive attitude required by researchers from our Sanstha, you are earnestly requested to bring to the notice the enclosed proforma to all faculty members (Permanent/Temporary) of your college and ensure the participation by maximum staff members.

Thanking you and with cordial regards,

Sincerely yours,

(Dr. U. P. Mulik)
